WELCOME

**GATHERING AROUND GOD’S WORD**

CALL TO WORSHIP

We move our bodies in praise and wonder  
as we find our place in the community of Creation.  
We reach and stretch into your glory above the heavens.

We see the work of your fingers in everything, O God.

We see the sun and the moon.

And we wonder what our place is in this cosmic community.

You have crowned us with glory and honor.

We feel the weight of this responsibility.

Creator, Redeemer and Sustainer, help us to find our place today.

OPENING PRAYER

Open to your creation, we gather.  
Moving into your creativity, we join the dance of Creation.

**Like a wave falls onto its shore, we come.**

**Like a bird lands in its nest, we come.**

**Like the first star of the night appears, we come.**

God, help us open hearts for worship this day.

**Amen.**

PRAYER OF CONFESSION

God of many blessings, you speak to us in the rhythms of the Earth.

**Sometimes we feel out of step.**

We miss your beat, and everything is out of sync.

**Help us to move with the sun, the moon, the large beasts,  
and even creeping things.**

**Help us find our rhythm with everything created**

**so we can continue to nurture your world and live in your way.**

*Silence*

## ASSURANCE OF PARDON

Let us go out into God's world in peace;

have courage; hold on to what is good;

return to no one evil for evil; strengthen the faint-hearted;

support the weak; help the suffering; honor all persons;

love and serve the Lord, rejoicing in the power of the Holy Spirit.

SENDING

Dear ones, go with the blessing that everything is in order.

There is still work to be done, and you are full of the blessing and promise  
of love and peace that creates, redeems, and sustains us, now and always.

**Amen.**
