Design Charrette

Charrette Team, representing all ministries, worked with Dimension IV architects to create a draft.

Explore Capital Campaign

Finance Committee researches options with support from the Presbyterian Investment and Loan Program.

Consideration of Proposals

Presentation of Charrette draft to Session and congregation. Invite congregational questions and suggestions. Explore architects and contractors.

Move Ministries

Members, partners and staff work together to relocate supplies and equipment to keep, donate or recycle.

Renovation Process

Requires:
- Session approval
- Congregational approval
- Presbytery approval

Construction

Coordinate with architect and contractor for abatement, removal of 1920’s section, and construction of new space with elevator.

God’s New Plan
